Office Order No. 351

Date : 31-08-2010

**Sub: - Revision of procedures for availing LTC by the employees
of the Company within one year from the date of retirement**

As per stipulations of this Office Order Nos. 37 dated 10.01.2008 and 121 dated 20.05.2009, employees who have not availed themselves of the benefit of Leave Travel Concession for the last block-year during their service may, at their option, avail themselves of the same within the grace period of one year from the date immediately following the respective date of their retirement. There was, however, no provision for informing their controlling officers before availing such concession in the said orders. Requirement of putting signature by the respective controlling officers on the concerned LTC bills had not also been spelt out.

Questions have arisen as to who will sign the LTC bill in the column meant for 'Controlling Officer' and who will be the paying authority as well as requirement of advance intimation for availing LTC in such occasions.

In view of above, it is therefore clarified and enjoined upon all concerned that employees, who have not availed themselves of the benefit of LTC for the last block-year during their service but desire to avail the same within the grace period of 1(one) year, shall have to inform their respective controlling officers in writing, before retirement, of their intention of availing of the benefit of LTC within one year from the date of their retirement. Details of journey or place of tour on LTC may or may not be indicated in the said letter of intimation to be submitted before retirement. After completion of journey, necessary LTC bill should be submitted to the concerned controlling officer, with whom the retired employee was lastly attached, so that the same may be signed by the controlling officer concerned and forwarded to the DDO for payment.

This order shall take immediate effect.
