Sub: Fixed allowance for holding the charge of Cash Section as custodian

As per the existing norms of the Company Assistant Cash Officers (ACO) are responsible to hold the charge of Cash Section as custodian at Customer Care Centres, Division Offices, Region Offices, Zonal Offices or any other offices located at Corp. Head Quarter or at sites. In absence of ACO, any other Class-II officer like Jr. Manager (F&A) or any other suitable employee like Office Executive is advised to hold the charge of Cash Section in addition to his normal duty at any of the above mentioned offices for which charge allowance maximum upto Rs. 500/- (Rupees Five Hundred) only is admissible in terms of WBSEDCL (ROPA) - 2009.

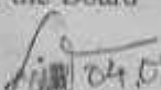

Now in consideration of acute shortage of ACO in the Company it has been observed that in most of the offices an employee other than an ACO is advised to take over the charge of the Cash Section of the respective offices on payment of admissible Charge Allowance. It is further noted that as per schedule of Delegation of Power there are certain restrictions of different sites authorities to grant such charge allowance to the employees. As a result, such charge allowance is required to be sanctioned for the employees for years together due to shortage of ACO, the proposals for sanctioning such charge allowance to different offices upto the level of Customer Care Centre are being sent to the Director (HR) for approval. As sanctioning of such charge allowance is a routine and repetitive in nature, it has been, therefore contemplated from quite sometime past to formulate a guideline for administrative convenience to get rid of the formalities of approval for each and every case separately.

Accordingly, it has been decided that an employee, other than a Class-II officer is eligible to draw a fixed allowance of Rs. 500/- (Rupees Five Hundred) only per month in lieu of charge allowance for holding the charge of Cash Section as custodian of any Customer Care Centre, Division Office, Region Office, Zonal Office or any other offices located at Corp. Head Quarter or site offices. It is further ordered that Controlling Officers, not below the rank of Divisional Manager are authorized to decide which employee will hold the charge of Cash Section in case of non availability of ACO/ Jr. Manager (F&A) in the concerned office and will be eligible to draw the fixed allowance of Rs. 500/- ( Rupees Five Hundred) only per month.

This is purely an interim and temporary arrangement in relaxation of the existing clause of Schedule of Delegation of Power and this arrangement will be withdrawn forthwith on joining of a Assistant Cash Officer.

This order takes immediate effect.

This has approval of Resolution No. 29 adopted in the 67<sup>th</sup> meeting of the Board Directors held on 6<sup>th</sup> December, 2016.
