

West Bengal State Electricity Distribution Co. Ltd.

(A Govt. of West Bengal Enterprise)

Circular

Date: 08.01.2020

Sub.: Advice for prompt completion of shifting of bare H.T / LT overhead lines to a safe distance from Govt. Schools, Colleges, Health Centre buildings, utilizing SEEDN fund

Ref.: Office Order No. 1581 dated 27.02.2019 of the Director (HR), WBSEDCL

In spite of passage of nearly one year after issuance of the above referred Office Order on captioned subject, few nos. of pending bare HT / LT line shifting cases from the roof of School Buildings have recently come into our notice from Newspaper reporting / grievance from other corners. Additionally, some unfortunate accidental cases had also been reported in recent past from such unsafe situations.

Copy of the above referred Office Order is enclosed herewith for ready reference.

Under present circumstances, it is instructed that all the site authorities (RM / DM / SM) be more proactive towards interaction with local Civic authorities (Dist. Magistrate, SDO, BDO, School DI, SI etc.), execute thorough field survey to check the existence of such cases under their respective jurisdiction and take subsequent necessary action to execute shifting of existing unsafe bare HT / LT Overhead lines to a safe distance from the roof / very close to the Govt. Schools, Colleges, Health Centre building to prevent unwanted accidental hazards.

Director (Distribution) shall assign one Addl. C.E from Dist. H.Q as nodal officer in this regard for regular monitoring and completion of shifting of such prevailing cases within 15th February, 2020.

All the RMs should submit confirmation report about completion of aforesaid bare line shifting works at CMD Cell within 17th February, 2020.

All concerned should treat the matter as extreme urgent and important.

Enclosure: 2 nos.

(Santanu Basu)

Chairman & Managing Director

Memo no.: CMD/09/ 260 (1-28)

Date: 08.01.2020

Distribution:

1. The Director (Distribution) / (HR), WBSEDCL
2. The Chief Engineer (Distribution), WBSEDCL
3. All Zonal Managers, WBSEDCL
4. All Regional Managers, WBSEDCL: - They should interact with the District Administration about the issue for early resolution by knowing the location(s) of aforesaid Govt. Building related unsafe electrical installation cases from their end. Simultaneously, disseminate the issue seriously to all the DMs & SMs for their proper understanding, organizing thorough field survey and prompt corrective actions towards time bound completion of the job.

West Bengal State Electricity Distribution Co. Ltd.

(A Govt. of West Bengal Enterprise)

Office Order No.: 1581 *CFD/IR 5806* *Duke 28/2/19* Date: 27-02-2019

Sub:- Guidelines towards shifting of HT/LT lines passing through and/or very close to Govt./Govt. sponsored Schools, Colleges, Health Centres & other Government establishment under SEEDN.

In view of the grievances often received from various corners regarding shifting of existence of HT/LT line(s) over public places/properties/facilities posing a serious threat to the safety & security of lives of people & properties, the issue has been under consideration of the Management.

Now, in order to facilitate proper utilization of SEEDN fund meant for such purposes it has been felt necessary to consider shifting of distribution networks passing through or very close to any public place/property such as Schools/ Play grounds/Pond/Hospitals/Health Centres etc, which in turn may invite electrical accident. Therefore, it is felt appropriate to set a guideline towards shifting of H.T/ L.T lines under SEEDN so that such type of cases/grievances can be disposed of expeditiously.

Only applications/cases of Govt./Govt. sponsored schools, colleges or other educational institutions, health centres and other Government establishments may be considered under this scheme for shifting the line passing through or very close to Hospital/Health Centre/ Schools/ College/ Pond/ Play grounds/ other Government buildings.

1) No application for shifting of any HT/LT line passing over any private property can be entertained.

2) On receipt of application, the place/property should be inspected by the concerned technical official not below the rank of SAE (E) to study the technical feasibility & justification for shifting of the line as per standard practice of WBSSEDCL. If it is technically feasible & justified then the cases may be processed for approval under SEEDN.

3) Maximum financial involvement of the scheme of shifting in each case is twenty lakhs.

4) Regional Manager is authorised to approve the scheme subject to compliance of above terms and conditions.

Before approval, Regional Manager should ensure that the benefit will be available to Public /Pupils/Patients coming to the Govt./Govt. sponsored Schools/College/ Play grounds/Pond/Hospitals etc through the proposed shifting of line passing through or very close to such place/facility/property.

5) Proposal may be sent to Distribution Headquarter for inclusion of the scheme under SEEDN.

All concerned including Regional Managers must adhere to the guidelines without deviation and transmit the message to downstream for compliance.

All the Regional Manager are requested to make best utilization of such provision at the earliest and requested to send at least three schemes for his jurisdiction by 31.03.2019.
