Subject: Streamlining the process of submission of replies to the Audit Queries of Internal Audit/AG Audit

Of late it has been observed that many of the audit queries raised by the Internal Audit/AG Audit are lying as unsettled for a prolonged period of time. As a result, queries of comparable in nature from different audited units are coming up on a regular basis. It has also been reported that many of the audit reply remain un-replied for a prolonged period of time.

With a view to resolve such pendency of replies from different Auditee and to square up the issues related to audit queries of repetitive in nature, all the Zonal Managers are requested to take up the matter with the respective Auditee and to hold Working Committee meeting at Zonal level [as constituted vide Circular No 24 dated 18.12.2017 of the Chief Engineer (Dist)] on a regular basis. So that the pending audit replies and repetitive nature of audit queries are resolved on a customary basis and standardized reply could be received from all the ends at a speedier pace.
