Office Order No - Safety/ 06/ 2021

Date:- 09.08.21

Sub: Passing of information of electrical accidents to higher authorities without any lapse of time

It seems that the higher authorities of the Organisation – CE(Dist.), CE(Safety) etc are not always updated of the informations of electrical accidents occurred in different areas of the state on various dates.

Since, electrical accidents are serious issues revealing an adverse picture about the standard of maintenance of WBSEDCL's bare OH system resulting into tarnishing of image of the Organisation as a whole, it is hereby ordered that henceforth all the officials of WBSEDCL, specially in the Dist., Hydel & RE Projects wing, be it JE(Gr.-II), JE(Gr.-I), AE(T), DE(T), SMs, DMs, RMs in whose jurisdiction, electrical accident, if any happens, shall communicate the preliminary information about such electrical accident to his/her immediate higher authority by mobile phone and messages without any lapse of time. No written report is required during such communication.

It is also advised to officials in each tier that such information should be passed onward to his/her respective immediate higher authority in next tier with least loss of time so that concerned higher authority at every tier may keep themselves updated of any latest untoward incident at any given point of time, which will certainly give them an added advantage to do the needful and to interact with the public authorities & representatives.

This is for information & compliance of all concerned.
