The existing system towards commuting maximum amount of 40% of the pension shall continue. The rate of commuted value of Pension(i.e. Commutation factor) payable under Regulation-24 of DCRB, 1985 will now be substituted by a new table as at Annexure to this Order. In all cases where date of retirement/commutation of Pension is on or after the date of issue of ROPA-2009, the revised table of commutation as at the Annexure for Pension will be used for commutation of Pension. Since commutation of pension for those who retired on or ~~after~~ 01.04.2007 has been allowed on exercising Option, the revised commutation table will be used only for commutation of the additional amount of Pension that has become commutable on account of retrospective revision of Pay/Pension.

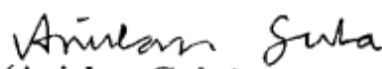

It is also clarified that the amount of Pension as per un-revised Pay commuted as per the then rate will remain unchanged and the new rate for commutation appended to this Order will be applicable only for the additional amount of commutation arising out of retrospective revision of Pay under ROPA-2009.
