Office Order No: 208

Dated: 27-11-2009

**Sub: Fixation of Pay of some employees under ROPA-2009
having their date of increment on 01.01.06**

In terms of provisions of ROPA-2009, the fixation of pay of all the employees is notionally made under ROPA Rules 2009 on the first day of January, 2006. It was inter-alia also laid down that the date of increment of any employee will not be changed under ROPA-2009. Accordingly, pay of those employees whose date of increment are on 01.01.2006 was fixed after allowing increment under un-revised scale of pay and thereafter next increment was given after completion of one incremental period. Similarly, pay of those employees whose date of increment was other than 01.01.2006 was also fixed notionally on 01.01.06 and an increment was allowed thereafter in revised Pay Scale of ROPA-2009 on any subsequent date, as was due. It has been brought to the notice of the management that those employees with incremental date on 01.01.2006 are getting lesser pay than their counterparts or even juniors drawing same or less pay in un-revised scale only because increment of the latter category was allowed under ROPA-2009 scale at the stipulated rate of 3% which in almost all cases are higher than the quantum of increment in un-revised scale. It has also been noticed that such cases are attracting the provisions of stepping up of pay.

Considering that there will be huge number of such stepping up proposals to be disposed of at the Corporate level with concurrence of the Corporate Finance resulting in delay and undue harassment of the employees for no fault on their part, the management, as a special dispensation, have decided as follows with a view to minimising/removing the anomalies:-

"Pay of an employee whose date of increment falls due as on 1st day of January, 2006 would be revised in the revised scale of Pay in terms of ROPA-2009 by considering his/her un-revised pay before granting increment in un-revised pay on 1st day of January, 2006, and after revision of pay on 01-01-06 under ROPA-09, increment so due will be granted in revised scale of pay on 1st day of January, 2006."

The WBSEDCL(ROPA) Rules, 2009 shall be deemed to have been amended accordingly only to the extent indicated hereinbefore and will have effect from 01.01.06

This has approval of the Chairman and Managing Director, WBSEDCL.
