G. Dependency :

A member of the family of an employee shall be considered to be dependant for the purpose of ~~admissibility of his/her treatment and reimbursement, provided such~~ dependant's monthly income does not exceed the revised lowest admissible monthly Basic Pension (as may be fixed from time to time).

The term 'family' is as defined in the WBSEB (Medical Attendance and Treatment) Regulations, 1964, since adopted by WBSEDCL.

H. Treatment of on-duty injury / illness of employees only :

Full reimbursement of expenditure for both indoor and outdoor treatment of on-duty accident patients at any hospital within West Bengal shall be allowed. In exceptional cases, treatment within the country shall be allowed with prior permission of CMO. Reimbursement of expenditure for outdoor treatment of sudden acute illness arising out of and in course of employment shall also be allowed only for that day.

I. Inclusion of additional Hospitals / Institutes as approved/recognized Hospitals for treatment of employees / dependants :

The following hospitals are included in the list of approved / recognized hospitals for the purpose of treatment of employees and their dependants and reimbursement of expenditure therefor, subject to ceilings and admissibility as contained herein :

- AMRI Hospitals, Dhakuria:** for all diseases (at mutually agreed rates).
RNTIICS, Mukundapur : for treatment of any heart ailment and heart surgery.
BM Birla Heart Research Centre : for cardiac ailment and cardiac surgery (at CGHS rates)
TRA General Hospital : for physiotherapy only,
Bhattacharjee Orthopaedic and Related Research Centre Pvt. Limited, Narayanpur : for orthopaedic cases only.
Kothari Medical Centre, Alipore : for Haematological diseases only.
Wockhardt Hospital & Kidney Institute, R.B. Avenue, Kolkata-700 029 : for kidney transplantation only subject to compliance with legal provisions.
Disha Eye Hospital, Barrackpore & Seoraphully : for treatment of eye diseases
CMC, Vellore : for treatment of any disease (without conveyance charges)
Tata Memorial Hospital, Mumbai : for treatment of malignant diseases (without conveyance charges)

The above mentioned hospitals are included in the list of recognized hospitals as at Annexure-I of WBSEB (Medical Attendance and Treatment) Regulations, 1964 only in so far as in respect of treatment of disease/diseases, surgery, transplantation etc. specifically mentioned against each of the above mentioned hospitals subject to ceilings and admissibility contained herein.

J. Medical Reimbursement for treatment made in non-approved / non-recognized Hospitals :

If treatment is made for employees or their dependants in any non-approved / non-recognized Hospitals / Nursing Homes, reimbursement shall be limited to rates and charges of AMRI Hospitals, Dhakuria (as mutually agreed upon). In absence of availability of treatment of any particular disease, injury, surgery etc. as well as rates and charges thereof at AMRI Hospitals, Dhakuria, reimbursement shall be allowed for treatment for that particular kind of disease, injury, surgery etc. at the rates of hospitals (excepting those outside West Bengal) as at 'I' above.

K Transportation / Conveyance Charges for shifting of injured / patients to and fro Hospital :

Reimbursement of hiring charges of Ambulance / Vehicles and/or train fares in respective entitled class along with one escort for facilitating transportation to hospital of the employees injured out of on-duty accident will be allowed.

In respect of critical ailments / diseases relating to Cancer, Cerebral, Heart, Respiratory as well as otherwise than on-duty accidental injuries of employees and their dependants, if warrant immediate transportation to hospitals in West Bengal only on emergent basis; reimbursement of hiring charges of Ambulance / Vehicle upto 150 Kms. (for Darjeeling District only) & upto 100 Kms. (for other Districts) to and fro journeys taken together at the prevailing rate for hiring of Luxury Taxi circulated by Corporate C.S. Branch or actual, whichever is less, shall be allowed in addition to entitled Railway Fares, if any, including one escort.

L. Cost of operation and treatment of donor of Kidney (not being employee or his/her dependant) :

Cost of operation and treatment of the donor of Kidney (not being employee or his/her dependant) will also be reimbursed on assessment as per norms treating the said operation as part and parcel of the operation / treatment of the employee / dependant in case of Kidney Transplantation irrespective of determining dependency of the donor on the employee subject to receipt of formal declaration of the employee that the entire cost for operation and treatment of such donor of Kidney was incurred by him. Donation of Kidney is, however, subject to compliance with legal provisions.

M. Mechanism for checks, controls and rationalization :

- ❑ Xerox copies of Bills of AMRI Hospitals and other super / multi- specialty hospitals of Kolkata and adjoining areas particularly relating to in-door treatment of critical diseases each beyond seven days duration shall be sent to CMO for checking whether abnormality in rates and charges exists.
- ❑ Medical Officers of the Company shall pay periodic visits to hospitals for interacting with patients, verifying necessity of continuation of treatment, checking of requirement of different tests suggested and counseling of patients. They will be assisted in this regard by existing three Jr. Manager (P&A)s who are now being utilized by Corporate Personnel Department for arranging admission of patients in hospitals. They shall evolve mechanism for extending the benefit of treatment in cash-less manner; which may conveniently be kick-started with AMRI Hospitals, Dhakuria through Corporate tie-up. Gradually, this method need further be extended in respect of other hospitals in and around Kolkata.
- ❑ The Medical Officers shall henceforth maintain liaison with different hospitals and co-ordinate with site offices for shifting / transportation of injured / critical patient for admission in appropriate hospitals for proper treatment.

- 2 One of the relatives / escorts of the injured patients (arising out of on-duty accident) will be allowed incidental expenditure at the rate of daily allowance admissible to the employee concerned so long the patient stays in hospital beyond 20 Kms. from his residence for ensuring daily visit / contact.
- 3 Reimbursement of bed / accommodation charges, though shall be made as per entitlement as indicated hereinbefore, admissibility for reimbursement of other charges i.e. tests, investigation, operation etc. shall however be determined without restricting / limiting such charges corresponding to bed / cabin or entitled class of accommodation in the event of treatment made by an employee / his dependant / her dependant otherwise than in his/her class of accommodation.

The Chairman and Managing Director may, however, consider exceptional cases on merits and decide reimbursement in relaxation of the existing norms and rules, if he so desires.

All other aspects, norms, admissibility etc. for reimbursement of medical expenses, not covered herein, shall continue to be governed by the orders and circulars issued from time to time.

Clarification, if required to dispose of any case on the basis of this order or of previous orders relating to medical reimbursement, will be issued / given by the Director (HR).

This order shall take immediate effect and medical reimbursement cases with the day of discharge on or after this date shall be governed as per the revised norms.

This has reference to Resolution No. 6 of the 10th Meeting of the Board of Directors held on 06.02.09.
