Office Order No: 1414

Dated: 21.05.2018

**Sub: Roll out of android based mobile application
for online cash collection.**

An android-based in-house developed mobile phone application for online cash collection over the internet will be rolled out across the state in June'18 in a phased manner. The app will substitute the presently used offline cash collection software, in course of time.

Salient features of the application:

1. Real time collection of Energy Bill, Installment Bill, Quotation for New Connection/Load Extension.
2. Partial Cash Banking, Cash/Cheque Banking (In Full), Cash Desk Closing.
3. Counter Summary Report and Collection Summary Report.

The application will be beneficial to the organization in following terms:

- A. The need for offline data creation and download will stand void, in steps which will save operational time and cost as well as issues relating to file sharing will be resolved.
- B. If link failure occurs user can immediately switch over to this app/software without waiting for any data downloading activity. However when MPLS VPN link is available at CCC, collection should be done through ISU Cash Desk only.
- C. Data security has been enforced in this software which is not available in current offline software.
- D. This application will be useful as a portable collection system during festive season for temporary connection as well as in PARISEBA MELA.

Operational Modality of the application:

1. Required devices and stationary shall be purchased on requirement basis from respective Division Offices as per the specification mentioned in Annexure-I attached herewith.
2. A common Gmail ID shall be created against a division for registering the newly purchased android mobile under the jurisdiction of the division for the said purpose, as Gmail ID is a mandate for registering android devices with Google.
3. The Application can be downloaded from Google Play Store using the above mentioned Gmail ID only and the same will be supervised by the DCC-In-Charge of respective Division.

4. Before committing any transaction, the application needs to be registered properly in the system. In the process of registration Corporate Office will be treated as the controlling office.
5. After completing collection for the day Cashier shall close the cash counter and the collected cash and cheques shall be handed over to the Head Cashier or to the Next Appropriate Authority.
6. The Head Cashier or Appropriate Authority shall handle the collected cash and cheques as per the prevailing norms.
7. The device shall be used only for the purpose of cash collection and must not be used for voice communication and SMS etc. Any deviation in this regard shall be viewed seriously.
8. Mobile internet connection for the cash collection purpose can be availed from any service provider for an amount not exceeding Rs. 500/- per month per CCC usually.

The above modality shall be strictly adhered to until further instructions.

Operating Manual for this application will be uploaded in the portal by IT&C Cell in due course of time.
