Circular No. : 17/2015

Dated : 26-11-2015

Sub : Cash Counter timings at Customer Care Centres

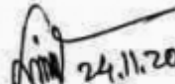

The Company is committed to provide services to consumers as per their requirement as far as practicable. As a part of effective consumer services the opening and closing time of Cash Counters operating at Customer Care Centre (CCC) (earlier known as Group Electric Supplies) were re-scheduled few years back with a view to step forward towards better consumer services. At present, the Cash Counters operating at CCCs are scheduled to be open at 9-30 a.m. on all working days (including Saturday) and are scheduled to be closed at 3-30 p.m. on full working days (Monday to Friday) and at 12-30 p.m. on Saturday. There was no recess time for Cash collecting personnel in the above mentioned timings for cash collection.

Representations have been received from different corners to review the timings of the Cash Counters with a recess time so that Cashiers may be given some relief from a stretch strain of cash collection and dealing with consumers. The matter was taken-up for consideration and after detailed examination it has been decided to re-schedule the timings of opening and closing of Cash Counters at CCC level with a recess time. Accordingly, timings of Cash Counters at CCC level have been re-scheduled in the following manner, in partial modification of the earlier circular dated 31.03.2003:

Working Days	Counter	Timing	Recess hours	Remarks
Monday to Friday	Counter - I	9.30 A.M. to 3.30 P.M.	From 1-00 PM to 1-30 PM	Where there is more than 1 (one) Counter
	Counter - II		From 1-30 PM to 2-00 PM	
	Single Counter		From 1-30 PM to 2-00 PM	Where there is only 1 (one) Counter available or operative on any day

It is further intimated that all Cash Counters at CCC level will remain open from 9.30 A.M. to 12.30 P.M. on Saturdays at a stretch and there will be no recess time on Saturdays.

This is for information and strict compliance of all concerned, so that the new system shall be implemented with effect from 1st December, 2015. Before implementation wide circulation of the re-scheduled timings through notice board, website, etc. should also be ensured.
