09.02.2017 WP 3027 (W) of 2017 Item No. SL-14 snandy Pintu Debnath & Ors.

(SUBMERSIBLE PUMP) Vs. WBSEDCL & Ors.

Mr. Md. Kutubuddin, Advocatefor the Petitioners Mrs. Sima Sengupta, Advocatefor the WBSEDCL Three petitioners joined in one writ-petition ventilating their separate, independent and distinct cause of action upon payment of court fees liviable on one person.

It is submitted by the learned Advocate of the petitioner that the court fees for the other writ-petition has already been deposited.

Office is directed to tag the court fees with the writ-petition.

The petitioners applied for electric connection for running the submersible pump. The distribution company informed the petitioners the requisite fees and the charges required for effecting the supply, which have already been deposited by the petitioners.

This court, therefore, does not find any justification on behalf of the distribution company in not effecting the supply of electricity to the petitioners even after receiving the requisite fees and charges as notified.

The distribution company is directed to effect the supply of electricity to the petitioners provided the petitioners fulfil all other criteria required thereof within eight weeks from the date of communication of this order.

With these observations, the revisional application is disposed of. No order as to costs.
