F.No. 05/02/2021-UR&SI-II-Part(1)-(E-260911)

Government of India
Ministry of Power

Shram Shakti Bhawan, Rafi Marg
New Delhi, Dated: 30th December, 2024

To

1. Additional Chief Secretary/ Principal Secretary/ Secretary (Energy/ Power) of all States and UTs.
2. CMDs/MDs of DISCOMS of all States and UTs

Subject: Distribution Utilities Ranking

Madam/ Sir,

With reference to the subject cited above, I am directed to say that Government of India, in coordination with the States, has taken various steps in the direction of improving the operational efficiency and financial viability of electricity distribution utilities (DISCOMS/Power Departments). Further, efforts have also been made in the direction of enhancing the standards of delivery of services by these utilities.

2. In order to have a holistic view of the performance of power distribution utilities on all the relevant parameters, this Ministry after consultation with various stakeholders has formulated a methodology for comprehensive evaluation to bring out an all-inclusive ranking (details placed as **Annexure**). It has been decided that the top performing DISCOMS shall be incentivized. Further, to ensure fair comparison, the DISCOMS have been divided into 3 categories as under:

- i. Category I— Urban DISCOMS,
- ii. Category II— High energy intensity DISCOMS
- iii. Category III— Low energy intensity DISCOMS

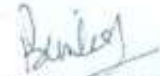

*DISCOMS with energy consumption more than 0.35 MU/sqkm have been taken as High energy intensity DISCOMS

3. In view of the above, DISCOMS are requested to ensure compliance of various conditionalities in a timely manner so as to facilitate publishing of Integrated Rating (IR) and Consumer Service Rating of DISCOMS (CSRDR) reports within stipulated timelines of December of every year. This will enable REC to publish the DISCOM Ranking Report by end of January every year. The first such ranking would be published in January 2025.

Contd/-

4. This issues with the approval of competent authority.

Encl.: As above.

(Bimlesh Pawar)

Under Secretary to the Govt. of India

Tel: 011-23705957

Email: bimlesh.pawar@nic.in

Email: ursi2desk-mop@gov.in

Copy to:

1. CMD, REC Ltd. with a request to coordinate with States/ DISCOMs for timely publication of the DISCOM Ranking Report as per para 3 above.
2. CMD, PFC Ltd

Also copy to: PPS to Secretary (Power)/ PSO to JS (Distribution)

Distribution Utilities Ranking**Parameters:**

1. **Integrated Ratings (IR):** Published by PFC based on audited annual accounts of distribution utilities to assess financial performance of utilities
2. **Consumer Service Ratings of DISCOMs (CSR D):** Published by REC to assess performance of distribution utilities across key consumer service parameters.
3. **Renewable Purchase Obligations (RPOs) achievement:** Compliance against RPO trajectory issued by Ministry of Power (MoP).
4. **Communicable System Metering:** Communicable and functional metering of all Distribution Transformer (DT) and feeder metering
5. **Demand Side Response:** Implementation of Time of Day tariff as mandated under the Rules: C&I consumers from 2024; domestic consumers from April 2025.
6. **Resource Adequacy:** Adherence to Resource Adequacy guidelines issued by Central Electricity Authority (CEA).

Ranking Methodology:

Sl	Parameter	Scoring	Max. Marks	Weightage
1)	IR Report	IR Score	100	35%
2)	CSR D Report	CSR D Score	100	35%
3)	RPO Achievement	Achievement of RPO Targets for each RE source/ Technology (less than 75%=0 marks , 75-99%= 50% marks, 100%= full marks)	100	5%
4)	Communicable System Metering	Installed against total numbers as on month preceding the start of evaluation process (less than 75%= 0 marks , 75-99%= 50% marks, 100%= full marks) 50% marks each for DT and 11 kV feeder metering	100	5%
5)	Demand Side Response	Availability of Dynamic ToD as per the Rules. %age of metered consumers in ToD framework other than Ag Consumers.	100	5%
6)	Resource Adequacy	Compliance to Resource Adequacy (RA) Plan (Preparation of RA Plan by respective utility- 50% marks, Arrangement of electricity as per RA Plan- 50% Marks)	100	15%
