date: **27/12/2024**

To,

The Regional Manager,

Bidhannagar / 24-Parganas (North) / 24-Parganas(S) / Howrah / Purba Burdwan /Paschim Burdwan / Hooghly / Birbhum / Paschim Midnapore /Purba Midnapore / Jhargram / Bankura/ Purulia / Murshidabad / Nadia / Malda / Coochbehar / Alipurduar / Darjeeling / Jalpaiguri / Kalimpong / Uttar Dinajpur / Dakshin Dinajpur Regional Office, WBSEDCL.

Sub: Installation of energy meter at all offices /establishments of WBSEDCL and generation of energy bill to capture own consumption of WBSEDCL

Dear Sir,

It had already been intimated to you that installation of energy meter at all offices /establishments of WBSEDCL and generation of energy bill against consumption of such meters from SAP ISU database under "INHOUSE" category is essential to capture own consumption of WBSEDCL as well as to provide correct data for preparation of tariff petition of WBSEDCL.

In line with the above, it is expected that meters have been installed i.r.o all existing establishments and consumer numbers are also created in SAP ISU database.

Henceforth, same process should be followed well in advance for new office /establishment to get the reflection of the own consumption right from starting date.

It has been also observed that bill of good nos. of "INHOUSE" consumers are not yet raised in SAP_ISU data base. Necessary action should be taken to raise the energy bill immediately.

Pending energy bills should be raised in two parts:

- 1st part: generation of pending energy bill for the period from April 2023 to March'2024.
- 2nd part: generation of pending energy bill for the period from April 2024 – upto date and to be continued regularly as per meter reading schedule.

You are requested to take necessary action on the above score and submit a feedback report by 06.01.2025 positively to CE, R&EM Cell with a copy to this end.

Yours faithfully,

Sd/-

(S Mukherjee)

Director (Distribution)

WBSEDCL
