Date of counting of Poll ----- 4th May, 2026.

Any interruption in power supply, during the period especially at the Districts where General Election to the West Bengal Legislative Assembly' 2026 will be held may adversely affect the election process. The need of the hour is, therefore, to ensure uninterrupted supply of power as far as possible, round the clock. Considering the scope of nor'westers and pre-monsoon depression, causing impediments towards keeping the un-interrupted supply of power, we have to exert our endeavour to keep the steady flow of power as well as to bring down the duration of interruption in case of break-down. Therefore, all concerned should be on a very high alert to restore any type of fault/break-down in least possible time, during the aforesaid period.

In view of the above, the following instructions are being issued for strict compliance: -

- 1) All the Regional Managers, Divisional Managers, Divisional Engineers, Assistant Engineers and Station Managers of Customer Care Centers shall not normally leave their Head Quarters and required to make themselves available even beyond their normal duty hours atleast 2 days prior to the day of Poll (P-2) at the respective Head Quarters upto 1 day after the Poll (P+1). Technical Staff and Motor Drivers attached to Divisions, CCCs, Sub-Stations & Stores should similarly be advised by their respective controlling authorities not to leave the H.Q.s during the period as indicated above, from 2 days prior to the day of Poll to 1 day after the Poll.
- 2) Application(s) for grant of any kind of leave on the polling date particularly in respect of technical employees, motor drivers etc. should not normally be entertained. Only in cases of exceptional merits deserving very special consideration, clearance may be given on obtaining prior concurrence from higher authorities. Leave applications for the above period in respect of Regional Managers and Divisional Managers shall have to be referred to the Chief Engineer (Distribution-South) and Chief Engineer (Distribution-North) respectively for consideration. Similarly, leave applications of Station Managers shall have to be referred to the concerned Regional Managers for consideration.

- 3) In the Customer Care Centers & 33/11 Kv. Sub-Stations the existing LT/HT mobile van may be utilized round the clock on need basis, for attending the major breakdown and docketed calls for the 2 days prior to polling date upto the next day of polling date and the date of counting of polls. For getting such services the Regional Managers shall be intimated in due course. For such utilization of service pro-rata payment i.r.o. vehicles and daily wages of labour and other components, whichever is applicable, shall be paid to the agency/contractor for subsequent payment to their workers/drivers as per existing rate contract.
- 4) Skeleton staff (including Motor Drivers) shall have to be retained round the clock at all the Customer Care Centers and Sub-Stations on and from atleast 2 days prior to the day of Poll to respond and attend any emergency call at shortest possible time within their respective command area either through LT/HT Mobile Van service or otherwise as per availability/practicability. Such deployment of staff shall be within the knowledge of the respective Controlling Officer with maintenance of specific records for the same including particulars of those who are attending the call, time of receipt of the call, period of attendance of the call, time of restoration of normalcy, etc. The above record shall have to be countersigned by the respective Controlling Officers in the morning of the very next day.
- 5) Attempts should be made to prepare duty schedule in such a manner so that the above period is covered by normal duty roster as far as practicable.
- 6) Service of personnel (including Motor Drivers along with Vehicles) of RE Project Offices may be requisitioned to supplement staffing pattern for maintenance of power supply if exigencies so warrant.
- 7) A skeleton set up of officials should also be kept on duty in Chord Road Central Store, Zonal Stores and Divisional Stores from 5.30 pm to 11 pm beyond the normal duty hours atleast 2 days prior to the day of Poll upto 1 day after the Poll of the above mentioned Polling dates so that site officers may not feel any difficulty for lifting of materials, in case of emergency.
- 8) In case of any break-down or major disruption of power supply in any area, the duration of which if apprehended to exceed 1 hour, shall have to be reported immediately over phone to the respective Zonal Managers and Chief Engineer (Distribution-North/ Distribution-South) followed by messages to the Chairman & Managing Director, Director (Dist.), Director (HR) and Director (R&T) & Exe. Director (Distribution).
- 9) All staff members and officers attached to Hydel Power Stations, Testing, Communication and ALDC Wings shall not leave their stations atleast 2 days prior to the polling date. Applications for grant of any kind of leave during the above mentioned polling date shall not normally be entertained. Only in cases of applications with exceptional merits deserving special consideration, clearance may be given on obtaining prior approval from the respective Director level.
- 10) All officers and staff members shall be allowed time-off in batches or their duty hours are so adjusted in order to enable them to exercise their franchise on the date of poll of concerned Lok Sabha Constituencies.

All concerned must adhere to the guidelines without deviation and all the controlling officers, are hereby, instructed to follow the instructions scrupulously and transmit the message to downstream for compliance.
