

WEST BENGAL STATE ELECTRICITY DISTRIBUTION COMPANY LIMITED
(A West Bengal Government Enterprise)

Circular: MIS/13

Date: 29.03.2022

Subject: Certification of monthly Payroll report summary by the DDOs.

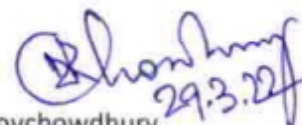

Reference: circular No: 01/2022 dated: 07.01.2022, area employee benefit, point no. 2.

To comply with the risk analysis as per the referred circular a monthly summary report on payroll duly certified by concerned DDO of the unit is mandatorily required for identification and subsequent rectification of any error in the payroll of employees under respective jurisdiction.

To facilitate such requirement, a new development has been done in the existing Payfix Tool system. At the start page a new button 'Monthly Payroll Certification' has been placed to capture the summary input by the concerned DDOs of the units and subsequent generation of a formatted report based on the input for necessary certification and signature on the hard copy for necessary correspondence to the Corp MIS Cell for further reconciliation.

The profit centre of the unit and the certificate month will be auto selected based on the user logged in and the time of submission of such report. On submission of such report a unique document identification number (DIN) with date and time will be generated in the printable report in PDF format. That report is required to be sent to the Corp MIS Cell in every month for the purpose of preceding month on or before 7th of the month.

A detail annexure is given elaborating the details of each steps of such certification in Payfix Tool System.

D Roychowdhury
GM (F&A) – Corp.
