

WEST BENGAL STATE ELECTRICITY DISTRIBUTION COMPANY LIMITED

(A West Bengal Government Enterprise)

Circular no.MIS/15

Dated: 27.04.2022

Subject: New processes for maintenance of basic pay iro Contractual Employees.

As per existing process, basic pay in PA30 in infotype 008 is maintained from date of hiring till 31.12.9999 i.r.o all employees. It is seen especially for contractual employees (Ex-WBSEDCL/ WBSETCL/ Other Govt. department's employees) that even after their contractual period get over, no separation action is executed in the system by the respective units in time. In such cases, the salary i.r.o those employees is getting processed as well as disbursed even after the contract period is over, which results in overpayment as well as the need to recover the same.

In order to enhance the control aspect on this issue, a new process shall henceforth be followed in which the basic pay from the date of hiring in IT0008 shall be maintained till the date of end of contract period as mentioned in the order and after that an amount of 0.01 shall be maintained till 31.12.9999. This needs to be done at the time of hiring of contractual employees which will mitigate the risks arising out of overpayment and recovery on account of disbursement of salary beyond contract period. DDOs shall ensure that the above process is being followed scrupulously.
