CORPORATE SAFETY CELL

Vidyut Bhavan

06th Floor, A - Block,

Salt Lake City, Kolkata 700 091

Office Order no: 06/2018 dated 27/7/2018

Towards maintenance of a unique database & proper monitoring of complete process from accident recording to disposal as well as disbursement of solatium/ compensation, an Accident Module has been developed which shall be effective from 01st August'2018 for the accidents occurred from that day.

Requisite T-Codes provided by the IT Cell is attached. Authorization of the concerned Personnel for operation of the module has been taken care of by that Cell. For any query regarding operation of the Accident Module & operation manual, the SE: IT of that Cell may be contacted.

Henceforth, all accidents, occurred under the jurisdiction of Distribution wing [all normal R&M jobs, IPDS & SEEDN Schemes & all future similar schemes to be implemented under Distribution Wing] shall be booked against that wing. Similarly, all accidents, occurred under the jurisdiction of RE Wing [all normal RE jobs, DDUGJY Scheme & all future similar schemes to be implemented under RE Wing] shall be booked against that wing.

Documentation of accidents under Generation Wing through SAP ERP system shall be taken up in subsequent phase. Till such time, under Generation Wing, existing legacy system shall follow.

The flow of the process under Distribution & Project shall be as follows:

❖ **Mandatory communication through Legacy System:**

1. Upon receipt of information about an accident, **latest by next working day**, the concerned Station Manager, the Assistant Engineer: Technical of Division, or the Project Manager of the RE Project, in whose jurisdiction the incident occurred [henceforth designated as the **Accident Reporting Officer**] should inspect the spot immediately, collect requisite information, depositions and documentary evidences, take snapshot of the accident spot & lodge FIR with the local PS.
2. Intimation of accident to the Chief Electrical Inspector & submission of report through Rule - 2 shall be guided by the Govt. Notification no: 342-Power/III dated: 29/12/2003 with subsequent amendments.
3. The Scheduled Inspection report by the Divisional Manager against any FATAL Accident under his jurisdiction by 10 (ten) days as per Circular no: 02/2011 dated 18/01/2011 to the Permanent Inquiry Committee.
4. Field visit with report by the Regional Safety Officer in terms of Office Order no: 02/2017 dated 25/5/2017.
5. Copy of the Inquiry Report of the Permanent Inquiry Committee in terms of Office Order no: 01/2018 dated 21/02/2018 & Disposal Order by the concerned Zonal Manager for each case to be issued & endorsed as usual as per standing norms.

❖ **Communication through SAP ERP System:**

1. Upon inspection by the Accident Reporting Officer, the accident to be recorded through SAP ERP system by the concerned Officer & after completion of the reporting, the same is to be **SUBMITTED**. The Accident Reporting Officer, may get the report

- entered & saved by any subordinate personnel as per his discretion [Divisional/ Assistant Engineer (E), SAE (E) or Office Executive] under his jurisdiction, but the authority for submission lies on the Accident Reporting Officer himself.
2. Upon submission of the Accident Report by the Accident Reporting Officer, in the second stage (**under implementation**) an automatic intimation via SMS to the CUG number/ SAP ERP mail shall be forwarded through System to the concerned Divisional Manager, Regional Safety Officer, Regional Manager/ Project Manager of REP, Zonal Manager, Chief Engineer: Distribution/ RE/ Project - I/ Project - II/ Project - III (as the case may be) and Engineer in charge of Corporate Safety Cell regarding occurrence of the Accident.
 3. For any non-reporting/ late reporting of Accident **without any valid reason**, the concerned Accident Reporting Officer shall be held **personally responsible** for such violation.
 4. Upon submission by the Accident Reporting Officer, the control will be with the Corporate Safety Cell, who shall overview the report, analyze for any shortcomings/ ambiguity on the cause of the accident with the incident [if required through telephonic enquiry/ site inspection, on case to case basis] & subsequently accept or reject the entry with specific observation by 7 (seven) working days.
 5. If rejected, the control shall be reverted to the Accident Reporting Officer for necessary corrective action on the basis of the observation of Corporate Safety Cell & subsequent resubmission for acceptance by next 03 (three) working days.
 6. Upon acceptance of report by Corporate Safety Cell, the control shall directly be with the Regional Safety Officer of the concerned Region [henceforth designated as the **Accident Inquiry Officer**] for conducting Inquiry & submission of report within a time frame of 30 (thirty) working days from the date of acceptance of accident report by Corporate Safety Cell. The Accident Inquiry Officer shall have the option to assign/ reassign a portion of the report to the HR&A Officer of the Region or any other Technical Officer under the jurisdiction of the Region or himself, as deem necessary & release the final Inquiry Report.
 7. Upon validation by the Accident Inquiry Officer, the control will be with the concerned Zonal Manager (for all Cases other than Project) or the Chief Engineer: RE (for cases of all Projects) [henceforth designated as the **Accident Disposing Officer**], who shall overview the Inquiry report, analysis for any shortcomings/ ambiguity in the Inquiry report with the incident [if required through telephonic enquiry, on case to case basis] & subsequently accept or reject the Inquiry Report with specific observation by 7 (seven) working days.
 8. If rejected, the control shall be reverted to the Accident Inquiry Officer for a review/ re-inspection on the basis of the observation of the Accident Disposing Officer by 10 (ten) working days.
 9. If accepted, the control shall be with the concerned Accident Disposing Officer for disposal of the cases by 15 (fifteen) working days from the date of acceptance. However, the responsibility of finalizing the eligibility for solatium/ compensation & subsequent fixation of compensation amount after judging of legal aspects [Regarding damage of Property & Cattle due to accident involving WBSEDCL's system, amount of compensation shall be guided by remarks of Clause no: 10 (part-2) of Office Order No: 1011 dated 04/11/2015] is on the HR&A Officer of the concerned Zone or RE HQ, as the case

may be and subsequently, the Accident Disposing Officer shall validate the Disposal with Order no & date.

10. Upon validation of the Accident Disposing Officer, if the victim is eligible for receipt of compensation/ solatium from WBSEDCL, the control shall be with the concerned DDO of the Division/ RE HQ, as the case may be, for necessary disbursement to the victim/ dependent/ next kin of victim by 15 (fifteen) working days after observing all formalities. Upon confirmation of the receipt of the solatium/ compensation by the victim/ dependent/ next kin of victim, the same to be recorded against the Victim ID through SAP ERP by the concerned DDO of the Division/ RE HQ.
11. However, in worst case, in case of non-eligibility of compensation/ solatium by any victim/ dependent/ next kin of victim, if compensation/ solatium is payable as per Court of Law/ instruction of Appropriate Authority, immediate communication to be made with Corporate Safety Cell, who, in turn shall arrange for revocation of the Disposal Order for re-assessment, which, in turn shall allow the System to release a Special Order by the Accident Disposing Officer & payment by the DDO.

Legacy copies of intimation & Rule - 2, Inquiry Report & Disposal Orders to be endorsed to the concerned Divisional Manager, Regional Safety Officer, Regional Manager/ Project Manager of REP, Zonal Manager, Chief Engineer: Distribution/ RE/ Project - I/ Project - II/ Project - III (as the case may be) & Engineer in charge of Corporate Safety Cell until further Orders.

This supersedes all previous Office Orders/ Circulars issued in connection with procedure for Accident Reporting, Accident Inquiry, Accident Disposals & subsequent disbursement of compensation/ solatium.

This has approval of the CMD: WBSEDCL.
