Circular No: 03/2022

Dated: 04.03.2022

Subject: Consolidation of Multiple TANs to a Single TAN of WBSEDCL.

Presently WBSEDCL has 124 nos. of Accounting Units each of which has Unique TAN/STDS no. registered with the Income Tax Department / GST authority to ensure TDS/ TCS/ STDS related Statutory Compliances. TDS / STDS related compliances for all TANs are becoming very difficult and it is experienced at corporate level that a lot of non-compliances such as delayed submission of returns, notice for short / delayed / late payment along with interest on such component etc., are occurring very frequently in many accounting units. As a result of these non compliances WBSEDCL is facing serious problem in some fronts.

Since the issue requires immediate compliance without any exception, it has been decided to switch over to single TAN / STDS system instead of existing multiple TAN / STDS system. The operation through single TAN / STDS shall be effective from 1st April 2022. For proper TDS related compliances and monitoring over the entire issue, one Direct Tax Cell under the administrative control of Additional General Manager (F&A)-Corporate Budget & Accounts will be responsible for all Direct Taxation related matters including Centralized TDS compliance, deposit of TDS, filing of Returns, issue of TDS deduction certificates, Corporate Taxation & Tax planning and all other direct tax related issues.

Similarly, TDS under Goods and Service Tax activities and related compliances will be made centrally from existing Indirect Taxation cell.

For smooth transformation to single TAN / STDS system from existing multiple TAN / STDS, the following activities are to be adhered strictly.

(A) Activities to be carried out by all Accounting units:

- (i) All accounting units are advised to file the TDS / STDS return for the period ended up to 31.03.2022, through the existing old TAN / STDS, including revised return, if any, as per existing system.

- (ii) All the Accounting units are advised to take immediate action towards settlement of all the pending demands raised by the Tax Authority up to FY 2021-22 against the individual TAN/ STDS of the respective unit.
- (iii) All the existing TAN/ STDS registrations of the accounting units shall be surrendered to the respective Tax Authorities after disposal of all the TDS related demands / disputes raised by the respective tax authorities related and up-to the financial year 2021-22 as early as possible.
- (iv) All the future compliances related to existing TAN / STDS have to be done from concerned accounting unit in order to ensure that there is no demand against the old TAN / STDS.
- (v) Existing process of vendor payment from accounting units shall continue.
- (vi) Accounting units shall remain responsible for any tax dispute/non-compliance due to wrong information recorded by the accounting units.

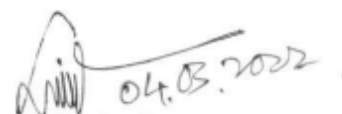

(B) Activities to be carried out from Corporate Budget & Accounts Cell:

- (i) Corporate-B&A cell shall take necessary action to obtain new TAN / SGST registration for Corporate (P441010010 - Corporate Compilation) from the Income Tax dept and GST authority respectively.
- (ii) From 01.04.2022 onwards, all the TDS deductions, its payment as well as returns will be made against newly obtained TAN / STDS and the TDS / STDS return for company as a whole shall only be filed from Direct Tax Cell and Indirect Tax Cell respectively.
- (iii) Any clarification of Tax Authority relating to the financial year 2022-23 and onwards shall be addressed from Corporate Direct / Indirect Tax Cell with the assistance of accounting units, if required.
- (iv) The Direct Tax cell shall obtain valid authorization for Digital Signature for compliance of Direct Tax related matters.

(C) Activities to be carried out from I.T. Cell:

- (i) I.T Cell in coordination with Corporate B&A Cell shall devise the operating and reporting system and define a timeline for flow of activities for obtaining confirmation about deduction of TDS/ STDS from accounting units with proper trail of events to ensure proper deduction of TDS/ STDS, proper reporting system required for timely submission of return and other TDS/ STDS compliance centrally.

The above directives will be effective from 01st April 2022.
