Memo. No. 130-POW-13012(11)/9/2020

Dated, Kolkata, the 10th November, 2020

MEMORANDUM

Issues incidental to the release of the second instalment of the loan to WBSEDCL by financial institutions for COVID-19 relief were raised to the Finance Department. The Finance Department had agreed to the payment of Electricity Dues of various offices of Government Departments and its para-statal organisations on a quarterly basis. This has its concurrence vide its U.O. No. 2533 (Group-N) dated November 9, 2020.

2. The WBSEDCL currently is facing a downturn in its financial health due to the steep decline in demand for power in the current financial year. Consequently, it had been forced to approach the various financial institutions. One of the main conditions has been the realisation of outstanding electricity bills. Due to non-payment in time of bills, the WBSEDCL is forced to impose a late payment surcharge which will only increase with further delay in payment. Currently, the outstanding from the offices of Government Departments and its parastatals has ballooned to Rs. 1176.9 crore which is 4.94% of last year's turnover which is unsustainable for any company.
3. Finance Department's Memorandum No. 1422-F(Y) dated March 26, 2020 had at para 4(xvii) permitted the drawal of electricity charges of office establishments in anticipation of allotment.
4. It is, hence, requested that instructions should be given to DDOs of all the office establishments under the Department that they should pay the quarterly bills raised by WBSEDCL promptly without fail.
5. The outstanding as on March 31, 2020 should also be paid in four equal quarterly instalments. This request may kindly be given the serious consideration that it deserves.
