Distribution Company Ltd.
(A Govt. of West Bengal Enterprise)
Vidyut Bhawan, Bidhannagar, Kolkata – 700 091**

Circular No. : 04/2012

Dated : 04.04.2012

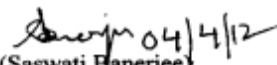

Sub: Mandatory submission of 'Safety Norms Compliance'
along with PAR/SAR

It has been observed with great concern that in spite of issuing several circulars/guidelines on various aspects of safety, the rate of fatal and non-fatal accidents is remained alarmingly high. It is noted that in most of the cases accidents are taking place due to non-adherence to the safety norms/standards, lack of supervisory monitoring/responsibility and non-compliance of technical norms by the employees working in the arena of Operation and Maintenance. The Board of Directors of the Company has taken a serious view over the issue and advised that lapse/shortcomings on the part of the employees responsible for accidents be recorded in their Performance Appraisal Report. It has also been noted that completion of post-accident enquiry and final disposal thereof are also not at all at the desired level. It has also been decided that the same should also be monitored through the Performance Appraisal Report.

Accordingly, it has been decided that all Zonal Managers, Regional Managers, Divisional Managers and Station Managers attached to different Offices shall mandatorily submit the duly filled in format related to 'Safety Norms Compliance' in the enclosed format alongwith the SAR while submitting the PAR to the Reporting Officer.

All the assessing Officers while evaluating performance of the concerned officials should invariably consider the 'Safety Norms Compliance', as submitted alongwith the SAR and evaluation of performance of the concerned officials be made accordingly.

All concerned are advised to adhere to the above instruction strictly.

(Saswati Banerjee)
