Circular No: 09/2015

Dated: 04-08-2015

Sub: Posting and rectification of any back dated document in current period only under post-ERP scenario

After implementation of Metering, Billing and Collection (MBC) modules in SAP-ISU for entire WBSEDCL, now ERP has been implemented in Finance module for the entire organization. Presently, financial posting period closing is done on a quarterly basis.

After implementation of ERP in Finance module, it has become very much essential to have synchronization between SAP-ISU and ERP to avoid mismatch of data in both the system. To achieve the same in respect of financial aspect, back dated posting or rectification of any document in closed financial period shall not be allowed henceforth.

If posting or rectification of any back dated document needs to be required, that may be done only on the first day of the current period. Following designated officers are hereby authorized for such posting or correcting of the above mentioned documents after considering the merits of the cases. They are also being authorized for correcting any sort of effect on LPSC generation and forfeiture of rebate to the consumers if any.

Sl No	Type of Consumers/document	Authorized Officers
