Office Order No. : 733

Dated : 06-08-2013

**Sub: Methodology to be followed in relation to segregation of Cost
attributable to Outsourced Contracts.**

Tariff Guidelines as issued by the WBERC stipulates to segregate the Cost attributable to Uncontrollable and Controllable factors so as to ascertain the Cost for admissibility in Tariff.

The Outsourced Contracts under the broad heads of expenditure pertaining to Repairs & Maintenance, Administrative & General expenses and Outsourced Jobs as issued/to be issued from different units in the mode of LOAs/Execution Orders are required to be segregated accordingly other than specifying the Contract Price.

The break up of Costs attributable to the Outsourced Contracts shall be sourced from respective authorities of WBSEDCL wherefrom the Primary Rate Contract has been executed.

After segregation of the Costs in the manner as specified above, the same shall be incorporated in the endorsement copy of LOAs/Orders for the paying authority by way of stipulating the Codes and the related amount/cost. The Contract Price shall remain unchanged and un-segregated under all circumstances. The relevant accounting codes may be referred as provided in the Annexure. The respective Controlling Officer prior to issuing the LOAs/Orders shall obtain affirmation of the respective DDOs in context of selecting and assigning the relevant codes.

The above methodology shall be followed while issuing the LOAs/Orders in future. For Orders already issued, with effect from Apr 01 2013, a modification may be initiated so as to take into consideration of this methodology for internal purpose only.

Similarly, it is enjoined upon all the Drawing and Disbursing Officers to scrupulously book every transaction in a segregated manner following the accounting codes as appearing in the Annexure so that the same gets reflected in books of accounts.

The order takes immediate effect

Encl: As above.
