

WBSEDCL

WEST BENGAL STATE ELECTRICITY DISTRIBUTION COMPANY LIMITED

(A Government of West Bengal Enterprise)

CIN : U40109WB20075GCI13473

VIDYUT BHAVAN, BPHANNAGAR, KOLKATA-91

Circular No: 01

Dt: 06/04/2016

**Subject: Revised Guidelines for the engagement of Outside Agency
for various Jobs on monthly Rate Contract basis under WBSEDCL**

It has been observed that few units under WBSEDCL indulged in practice of the suo moto new engagement of the LT Mobile Van, Outsourcing of Manpower in existing LT Mobile Van, Outsourcing of Repair Maintenance of Feeder lines of Sub-Stations, Outsourcing of the Round the Clock Operation Maintenance of Sub-Stations and engagement of HT Night Mobile Van, without taking in Principle Approval from the Competent Authority of WBSEDCL.

It is also being observed that after making such arrangement locally, without any prior approval, these proposals have been forwarded to the Head Quarter for the post-facto approval after prolonged gap of time. Therefore, it is getting very difficult to assess the merit of these cases in order to accord in principle approval and also to keep track with such matters. At the same time the added expenditure is not being reflected in Budget Estimate for the particular Financial Year and also the financial additional burden is not being booked in revenue expenditure in the relevant financial year. Therefore, it is very much essential to stop this practice for the centralized monitoring.

In view of the above all concerned are hereby directed to adhere to the following guidelines:

- For the purpose of new engagement of LT Mobile Van or extending the additional shift with/without agency manning the proposal for in principle approval must be sent to the Chief Engineer (Distribution) for approval, even for the newly created Customer Care Centres, after bifurcation of the existing Customer Care Centres.
- For the purpose of the outsourcing of the manpower for the existing LT Mobile Van running with departmental employees also must be forwarded to the Chief Engineer (Distribution) with proper reasoning for consideration towards in principle approval.
- For the purpose of outsourcing of Repair Maintenance of Feeder lines of Sub-Stations, outsourcing of the Round the Clock Operation Maintenance of Sub-Stations and engagement of HT Night Mobile Van, for the first time either in existing Sub-Stations or in newly commissioned Sub-Station, the advance proposal must be forwarded to the Chief Engineer (Distribution) for necessary approval.
- In case of renewal of engagement of outside agency for Repair & Maintenance of HT Feeder Lines/Mobile Night Service/ Round the Clock Operation Maintenance of Sub-Stations/LT Mobile Van (with/without outsourced manpower), it is mandatory for the concerned Divisional Manager to send the proposal for

renewal to the concerned Regional Manager at least two months before the expiry of the existing contract with recording his comment on satisfactory performance as well as full observation of the statutory compliances by the concerned Contractor, for approval of such renewal and timely placement of the renewal order before expiry of the existing order.

- It is also to be emphasized that no such Job Contract activity shall be carried out without the formal order from the controlling officer.

All concerned are directed to follow the above scrupulously, and any deviation of the above shall be viewed very seriously.

(Sujay Sarkar)
Director (HR)
WBSEDCL
