a) Repair & Maintenance of identified 33KV & 11 KV Incoming & Outgoing Feeders of a particular sub-station during the time span from 06-00 Hrs. to 22-00 Hrs. of the day in 2 (two) shifts i.e. from 6:00A.M. to 2:00 P.M.(Morning shift) and 2:00 P.M. to 10:00P.M. (Evening Shift).

b) HT Mobile Night Service from 22-00 Hrs. to 06-00 Hrs. where it is absolutely necessary for doing so and company's personnel cannot be deployed from the existing strength.

c) Operation & Maintenance of 33/11 KV Sub-Station under Distribution Wing when it is found absolutely necessary for such engagement and Company's personnel cannot be deployed from the existing strength after exploring all possible re-arrangements.

d) Engagement of outside Agency shall be made strictly on job contract basis and as per scope of work indicated in Annexure-'A' as enclosed herewith.

1.2 Procedure for engagement of outside Agencies and responsibilities for Repair & Maintenance of 33 KV & 11 KV Feeder Lines.

1.2.1. Engagement of Agency (Contractor) shall be made for the Feeders under one Sub-Station including 33KV & 11 KV Lines originating from Sub-Stations under WBSEDCL and for the entire scope of work indicated in Annexure-'A' on selective basis.

1.2.2. The Repair & Maintenance in respect of the above job shall not include repair against theft of conductor, break-down involving replacement/ straightening each of poles on each occasions, disruption of network for Norw'ster /natural calamity and the lightening which may effect major breakdown.

1.2.3. All maintenance works and jobs involving H.T. Shut-down shall be undertaken by one of the Skilled labours of the Contractor engaged for execution in a shift.

1.2.4. Category-wise requirement of total no. of Skilled and unskilled labours per shift in respect of Repair & maintenance of 33KV and 11KV feeders are as follows:

Category 1 (0 – 100 CKM) : In case of Category 1 per shift manning should be minimum 3 (Three) contractor labours including at least one skilled labour. One additional skilled labour has been provided for enjoyment of weekly off days and National holidays.

Category 2 (0 – 250 CKM) : In case of category 2 per shift manning should be 2(two) skilled and 2 (two) un skilled labour. One skilled and one unskilled labour has been provided in this category for enjoyment of weekly off days and National holidays.

Category 3 (0 – 500 CKM) : In case of category 3 each shift should be consist of 2 (two) skilled and 3(three) un skilled labour and one skilled and one unskilled labour has been provided for enjoyment of weekly off days and National holidays.

Category 4 (Above 500 CKM) : In case of category 4 each shift should be consist of 2(two) skilled and 3(three) un skilled labour and one skilled and one unskilled labour has been provided for enjoyment of weekly off days and National holidays.

However, in case of Driver one Driver should be posted in each shift for each category.

2 Procedure for engagement of outside Agencies and responsibility in respect of Mobile Night Service for Repair & Maintenance of 33 KV and 11 KV Feeder Lines :

2.1 WBSEDCL shall engage Agencies (Contractors) purely on job contract basis for Repair & Maintenance of identified 33 KV and 11 KV incoming and outgoing Feeders during the time span from 22-00 Hrs. to 06-00 Hrs (Hrs.)

2.2 HT Night Mobile Service should not be allowed to work in the LT Feeders of Urban areas where LT Night Mobile Service has been introduced. All Divisional Managers must be careful on this aspect.

2.3 For identification of areas to introduce Mobile Night Service, the criteria as depicted below shall be considered :

- a) High voltage Consumer density / feeder connecting substantial no. of high voltage consumers.
- b) Feeders connecting to high voltage consumers.

2.4 All maintenance work and jobs involving H.T. Shut-down shall be undertaken by the skilled labour of the Contractor engaged for execution.

2.5 Requirement of total no. of skilled and unskilled labours for Night Mobile Service is as 1(one) skilled and 2 (two) unskilled labours. One additional skilled labour has been provided for enjoyment of weekly off days and National Holidays.
However, in case of Driver, 1 (one) Driver should be posted in the night shift.

3. Procedure for engagement and responsibilities to be borne by outside Agency in respect of operation & maintenance of 33/11 KV Sub-Stations :

3.1 Agency/ Contractor shall be engaged for operation & maintenance when it is found absolutely necessary for such engagement and Company's personnel cannot be deployed from the existing strength after exploring all possible re-arrangements.

3.2 A Sub-Station shall be manned exclusively either by outside Agency or by departmental personnel. Mixed arrangement shall be avoided. For accomplishing the task, proper re- deployment of departmental employees shall be arranged.

3.3 Requirement of total no. of skilled and unskilled labours for operation & maintenance of 33/11 KV Sub-Stations shall be 1(one) skilled and 1(one) unskilled labour per shift. However, One additional skilled labour has been provided for enjoyment of weekly off days and National Holidays.

3.4 One skilled and one unskilled labour shall be engaged by the Contractor in each shift of 8 Hours for ensuring round the clock operation & maintenance job of 33/11 KV Sub-Station. It shall be ensured that the skilled personnel to be deployed by the Contractor should have adequate expertise and experience for such job and possess necessary valid license to work in said voltage Category.

3.5 WBSEDCL reserves the right to cancel the order for engagement of Contractor at 33/11KV Substation at any point of time by engaging Company's employee and Contractor shall remain bound to withdraw his work force/labour immediately. However, One Month Notice is to be served upon the said Contractor before cancellation of such contract. Similarly, the Contractor may also serve NOTICE at least one month before towards withdrawal from the said Work.

4. Terms & Conditions

4.1 The Contractors enlisted under Distribution RE Wing / Dist. HQ. of WBSEDCL having Provident Fund, E.S.I. Registration and **valid GSTIN** will only be deployed for this contract. However, in case of any E.S.I. non applicability areas, ESI Registration is not mandatory. Deployment shall be made considering past satisfactory performance records of the enlisted contractors. Endeavour shall, however, be made to deploy all the RE enlisted/DHQ enlisted Contractors within the respective Divisions either in turn or in rotations subject to satisfactory performance (the provision of the Office Order 1171 dated 07.02.2017 of the Director (HR) shall have to be referred).

4.2 No sub-contracting will be allowed by the Agency/ Contractor for execution of the job.

4.3 The engaged skilled labours shall possess Workmen's Permit for relevant voltage class and adequate expertise and experience while doing repair and maintenance of 33KV and 11 KV Feeder lines.

4.4 Contractors engaged for repair & maintenance of 33KV and 11KV Feeder lines shall maintain one Job Register which should duly be signed by the Contractor/ his authorized Representative /Contractor Labour who actually performed the job as well as the Asst. Engineer, O&M Sub-Division or his authorized Representative on behalf of the Company, in respect of each of the job. Divisional Manager of the concerned area must inspect every month and put his comment on the each of the cases.

4.5 All employees of the outside Agency must carry Photo Employment Cards. The name of the employees engaged for shift shall be recorded prior to their engagement with photo and father's name etc.

4.6 The Contractor must intimate in writing the Mobile Phone Nos. to the In-charge of O&M Sub-Division and respective Operators of the Sub-Station (whether Company's employee or Agency's employee) as well as to the Divisional Manager.

4.7 For maintenance work, all required materials shall be issued by WBSEDCL on requisition (SIRN) from the concerned Store. A minimum quantum of emergency materials shall be provided to the engaged Contractor as material advance for which reconciliation statement shall be produced at each month and copy of the same shall be attached with monthly claim for verification by Drawing & Disbursing Officer of the respective Division. Unnecessary blockage of Materials at Contractor's end shall be treated as disqualification to the contract performance.

4.8 All Vehicles should be a 4-Wheeler having minimum space area of 2200mm x 1300mm x 300mm in the Carriage area with provision for seating capacity of 2/3 nos. at Driver's cabin.

4.9 All Vehicles should have painted label as 'Emergency Service WBSEDCL' both in front side and back side of the Vehicle.

4.10 The Driver so engaged by the Contractor should have valid and requisite Driving License of compatible Vehicle.

4.11 The Vehicle shall be utilized for the job as specified as per direction of the In-charge of the Sub-Division and/or Divisional Manager of the respective Division. The Contractor shall issue Photo Identity Card to Drivers also.

5. Monthly Contractual Rate

5.1 Repair & Maintenance of 33KV& 11KV Feeder lines (Ref: O.O No CED/08 dated 07.03.2018).

a) Category up to 100 Ckm.

Zone A - ₹ 138386.00

Zone B - ₹ 126207.00

b) Category 101 – 250 Ckm.

Zone A - ₹ 180106.00

Zone B - ₹ 164220.00

c) Category 251 - 500 Ckm

Zone A - ₹ 210644.00

Zone B - ₹ 192448.00

d) Category Above 500 Ckm

Zone A - ₹ 238364.00

Zone B - ₹ 218607.00

e) Night Mobile Service

Zone A - ₹ 83728.00

Zone B - ₹ 76631.00

f) Operation & Maintenance of 33/11 KV Sub-Station

Zone A - ₹ 95790.00

Zone B - ₹ 86545.00

Detailed calculation of above may be seen in Annexure-'B.1' to 'B.6'

[Note : If more than 50 % of total no. of consumers under any feeder are in Zone-A, the rate specified for Zone-A would be applicable. Similarly, if more than 50 % of total no. of consumers under any feeder are in Zone-B, the rate specified for Zone -B would be applicable.]

5.2 The monthly Rate Contract as mentioned above in respect of Repair & Maintenance of 33 KV and 11KV Feeder lines, Night Mobile Service and Operation & Maintenance of 33/11 KV Sub-Stations have been calculated on the basis of minimum wage w.e.f. 1st January 2018 in respect of skilled, unskilled labours and Driver as published by the Joint Labour Commissioner, Govt. of West Bengal.

5.3 Monthly Contract charges shall be reviewed periodically for any increase or decrease in the rates in line with the minimum wages as per Notification of the Labour Department, Govt. of West Bengal using the same method as utilized in arriving at the above amount. The said revised contractual charges shall be intimated by the Chief Engineer (Dist.) from time to time.

5.4 The Contractor has to provide one Mobile hand set to each Vehicle/Shift and WBSEDCL will provide rechargeable coupon of Rs. 300/- (Rupees Three Hundred) per month plus necessary GST which may be claimed by the Contractor in the monthly bill.

5.5 Wear & Tear : `250/- per shift per month is admissible being the "Wear & Tear charges" of the Tools & Tackles as the same are supplied by the outside agency for use of H.T. maintenance by the agency's labour.

6. Security Deposit

As this rate contract order does not have supply of materials by the contractors, hence no Security Deposit is required in this rate contract order. However, in case of any loss suffered by the WBSEDCL due to negligence on the part of Contractor in course of carrying out the execution order placed on them, necessary deduction shall be made from the pending bills of the respective contractor.

7. Performance Evaluation & Reward/ Penalty for Repair & Maintenance of HT Feeder Lines & Night Mobile Service.

7.1 The performance of maintenance work vis-à-vis interruption shall be measured on monthly basis with reference to the number of break-down attended and complaint recorded in the last month.

7.2 2(two) nos. of Job Registers, one each with the Contractor and Assistant Engineer(Tech), Division, have to be maintained for recording each of the break-down, time of origin, time of report, time of completion of break-down work including place of occurrence and name of 33KV or 11 KV Feeder line.

7.3 The Contractor shall ensure that a reduction of at least 10% is achieved in no. of tripping/interruption in a quarter over the corresponding quarter of the last year. However, disruption due to natural calamities shall not be considered for this purpose.

7.4 In case of reduction in no. of tripping even beyond 10%, the Contractor shall be eligible for reward @ 0.5% of the monthly contract charges for each per centum or part thereof of additional reduction.

Similarly, failure to reduce the no. of tripping shall attract a penalty @ 0.4% of monthly contract charges for each per centum or part thereof of shortfall in reduction. The reward or penalty shall be restricted to a maximum of 12.5% and 10% respectively of monthly contract charges.

7.5 Restoration of break-down of H.T. Rewards shall be time bound as mentioned in the Scope of Work. In case of non-compliance of specified time limit of feeder restoration, the Company shall recover liquidated damage as per provisions contained in the Scope of Work.

7.6 As per Scope of Work, trimming of tree branches is mandatory, besides other specified work. After receiving the contract for Repair and Maintenance of 33KV & 11KV Feeder Lines by the Contractor, if any such feeder lines found fouling with tree branches, Asst. Engineer attached to the concerned (O&M) Subdivision or Divisional Manager of the concerned Division shall issue show cause letter to the concerned contractor. In case of unsatisfactory reply and / or repetition, contract of the concerned contractor shall be cancelled.

7.7 As per WBERC Regulation there are specific stipulations for time bound maintenance and on default there are specific penalty clauses. Hence, due to non-performance within the stipulated period of a particular job of restoration of Feeder lines, necessary penal action shall be applied and Agency shall be liable to pay any such penalty due to such delay which will be deducted from the concerned Contractor's/Agency's monthly contract charges.

7.8. All Statutory obligations and terms and conditions incorporated in this Order are to be strictly complied with by the Agency. In case any deviation, non-compliance is notified the Controlling Officer will take

necessary administrative measures immediately. For repeated failures (after three such occasions) the Agency may be terminated without any further reference and enlistment may also be cancelled.

8. Compliance of Statutory Obligations

- 8.1 For the purpose of better and effective compliances of statutory obligations, WBSEDCL has made provisions in the rates for reimbursement of Provident Fund @13.15%, Bonus @ 8.33% and ESI @ 4.75% **(In case of non-ESI applicability areas same amount should be utilized for purchase of Mediclaim Policy from Government undertaking Insurance Companies in the name of each labour separately. No Group Mediclaim Insurance will be allowed.)**
- 8.2 The Contractor shall ensure that their employees should get wages as fixed in the order as issued by the WBSEDCL from time to time and comply with statutory provisions of E.P.F. and Misc. Provisions Act, 1952, E.S.I. Act, 1923, Contract Labour (Regulation & Abolition) Act, 1971 and other relevant Labour Laws as well as Circulars/ Orders of the Company.
- 8.3 The Contractor while submitting the bill must enclose Form No. ECR as per EPF Scheme, 1952 positively in token of proof towards payment of Provident Fund Contribution to the Provident Fund Authority. The Contractor must also submit a statement indicating name of the Contractor Labours along with their wage etc. towards deposit of E.P.F. and Pension Fund as per Circular dated 26.03.2008 of the Director (H.R).
- 8.4 **Wages for skilled and unskilled labours in respect of H.T. Feeder Maintenance of all Categories, Operation of 33/11 KV Sub-Stations and Mobile Night Service shall be at par with the minimum wage as ordered by the Labour Department, Govt. of West Bengal, time to time. All such skilled and unskilled labours are to be provided with necessary weekly off-days and National Holidays i.e. Republic Day (26th January), May Day (1st May) Independence Day (15th August) & Birth Day of Mahatma Gandhi (2nd October). However, such weekly off-days and National Holidays shall be allowed on staggered basis amongst the particular group so that maintenance and operation work of the aforesaid jobs are not affected. Monthly duty roaster should be prepared by the Contractor prior to beginning of each month and placed to the in charge of the Sub Division.**
- 8.5 No Skilled, Unskilled Labours and Drivers are allowed to work for more than (eight) hours in a day. The Contractor should suitably arrange for worker / driver in case of absence of regular worker / driver accordingly with prior notification to the Asst. Engineer attached to the Division / Sub-Division or Divisional Manager.
- 8.6 All Controlling Officers shall implement the Circular dated 01.12.05 and subsequent instruction of the Director (H.R) regarding witnessing and authenticating payment of wages including other statutory benefits as well as submission of compliance certificate on monthly basis by an authorized representative of the concerned Division. However, the Contractor may pay the salary to its worker directly through the bank account of the individual worker, in that case a certificate is to be provided by the contractor in this effect.
- 8.7 The Asstt. Manager (HR&A) as well as Asst.Manager (F&A) of the Divisions must ensure that Contractor employees as engaged by the Contractor including Driver are registered as per E.S.I Act where ESI is applicable. The Contractor is liable to enclose necessary challan towards payment of ESI contribution to the respective ESI Authority where ESI Scheme is applicable. Immediately after registration, the Asstt.Manager (HR&A) must collect photo copy of ESI Identity Card as issued by the ESI Authority in favour of the individual Labours and Drivers.
- 8.8 The Asst. Manager (HR&A) and Asst.Manager (F&A) must ensure that the concerned Contractor has procured Mediclaim Insurance Policy from a Nationalized Insurance Company in respect of each of the Contractor Labour including Driver where ESI Schemes are not applicable. The quantum of premium for Mediclaim Insurance Policy should be equal to 4.75% of the wage of the respective Contractor Labour.

- 8.9 It is mandatory to submit a declaration from each of the Contractor Labours including Drivers that they have received minimum wages as per statute including other statutory benefits which should be submitted to the Asst. Manager (HR&A) of each of the Divisions quarterly.
- 8.10 It shall be the personal responsibility of the officer who awarded the order that adequate Personal Protective Equipment (PPE) are available with the contractor and no labour is allowed to undertake any job without informing the concerned officer and without observing the safety standards of the Company. In case of accident while working on the system of WBSEDCL, if it is observed that the Contractor Labours had no Personal Protective Equipment and other safety standards were not observed and due to which accident occurred, the order of the concerned Contractor shall be cancelled immediately, in addition to other actions including prosecution under Indian Penal Code, that the Contractor is legally liable for.
- 8.11 If the Contract Labours meet an accident while working on the system of the Company resulting in death or loss of earning capacity of the labour, his legal heir(s)/ concerned labour (in case of loss of earning capacity) shall be entitled to compensation as per Employees' Compensation Act, 1923 and such compensation shall be recovered from the Contractor.
- 8.12 The Contractors have to submit an Indemnity Bond on a non-judicial stamp paper of ₹50/- while acceptance of the order. A pro-forma of the Indemnity Bond is enclosed at Annexure –C. This should be taken as mandatory.
- 8.13 The Contractor will have to maintain attendance register i.r.o the deployed employees and also to maintain register of workmen, master roll, register of wages etc. as per WBCL (R&A), Rules 1972.
- 8.14 In case of new engagement of outside agency for Repair & Maintenance of HT feeder lines / Mobile Night Service / Operation & Maintenance of 33/11 KV Substation, the Zonal Manager of the Area is empowered to approve such engagement of the agency/contractor, provided the out sourcing of the job have been sanctioned/in-principally approved by the competent authority at Head Quarter.
- 8.15 In case of renewal of engagement of outside agency for Repair & Maintenance of H.T. Feeder lines/ Mobile Night Service/ Operation & Maintenance of 33/11 KV Sub-Station, it is mandatory for the concerned Divisional Manager to send the proposal for renewal to the Regional Manager at least two months before the expiry of the existing contract with recording his comment on satisfactory performance as well as full observance of statutory compliances by the concerned Contractor/Contractors, for approval of such renewal (for detail, the Circular No 01 dated 06.04.2016 of the Director (HR) may be referred).
- In case of failure to place the Renewal Order before expiry of previous order, the concerned Divisional Manager will be held responsible.
- 8.16 The Divisional Manager, Asst. Manager (HR&A), Asst. Manager (F&A) of the respective Division, where Repair & Maintenance of 33KV & 11KV Feeder Lines Order has/have been placed to the Contractor, must ensure that the concerned Contractor/Contractors has/have engaged Driver in each shift. The name and other particulars of the Drivers along with Driving License Number should be maintained at Division Office including periodical checking as to whether the said Contractor/Contractors has/have duly engaged separate Driver in each shift. While checking the aquittance Role, P.F. particulars etc., the same should also be ensured from the concerned Division.
- 8.17 All Divisional Managers must place work order in respect of H.T. Feeder Maintenance, Night Mobile Service/ Operation & Maintenance of 33/11 KV Sub-Station amongst the Contractors engaged with the Division on rotational basis subject to satisfactory performance of the Contractor, as well as having necessary Registration/ Certificate with the Provident Fund, Labour License, GSTIN, E.S.I. etc. Divisional Managers must evaluate the performance of each of the contractors on monthly basis.
- 8.18 The Asst. Engineer (Tech) attached to the Division must certify the performance of the respective Contractors so engaged in the maintenance as well as operation job under his jurisdiction on monthly basis, to the Divisional Manager along with certified monthly bills.

9. **Applicability of Taxes & Duties**

9.1 **GST** – The GST as per prevailing rates shall be paid extra to the contractor/agency as applicable, along with monthly contract charges to the agency having valid **GSTIN**.

The GST, therefore, is to be paid only to the registered Contractor under the GST Act

9.3 **Income Tax** – As per relevant provisions of the Indian Income Tax Act, Necessary deduction from the respective bill (s) of the agency on account of Income Tax shall be made. The DDO will issue necessary TDS Certificate accordingly.

10. **Paying Authority**: Assistant Manager (F&A) of the Division.

11. The Assistant Manager (HR&A) of the Division shall act as Nodal Officer towards supervision of compliances of all statutory obligations by the agency/ contractor.

This issue with the approval of the Chairman & Managing Director, WBSEDCL.
