CORPORATE SAFETY CELL

Vidyut Bhavan

06th Floor, A - Block,

Salt Lake City, Kolkata 700 091

Office Order no: 01/2018 dated 21/02/2018

Sub: Modification of Office Order no: P/123 dated 23/11/2007 regarding Permanent Inquiry Committee of Distribution Wing.

In partial modification of Office Order no: P/123 dated 23/11/2007, regarding formation of wing-wise Permanent Inquiry Committee for Distribution & Generation wing, the same for Distribution Wing including RE Projects is reconstituted as follows.

For Regions:

The Regional Safety Officer of the Region :	Chairman
The Head of HR&A Wing of the Region :	Member Convener

For RE Projects:

The Regional Safety Officer of concerned Region under geographical jurisdiction, where the accident occurred :	Chairman
The Head of HR&A Wing of concerned Region under geographical jurisdiction, where the accident occurred :	Member Convener

The Chairman of both the Committee of Region & RE Project can co-opt any other Divisional Manager, other than him, in whose jurisdiction the accident was occurred, if he finds it necessary.

In case of Severity of Accident, Corporate Safety Cell shall conduct another Inquiry with the HR&A Officer of the Region on case to case basis.

Further, in the accident, if Engineer Officer, in the rank of Divisional Manager & above is involved, the Inquiry shall be conducted by the Chief/ Additional Chief Engineer: Safety with the HR&A Officer of Corporate Safety Cell.

However, the Permanent Inquiry Committee for Generation Wing, Hydel Units & PPSP shall, however remain unchanged.

Broad Terms of reference of the Committee:

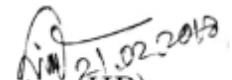

1. To collect the information whether standard operating procedure was followed, proper PPEs and Tools & Tackles were utilized during execution of the job by the Departmental/ Outsourced Technical workforce during visit of accident spot.
2. To obtain deposition of the co-workers of the victim & other eye witness of the accident.
3. To ascertain whether the accident arose out of & in course of employment i.r.o. Departmental/ Outsourced Technical workforce from official records, evidences & from reports of Police/ Hospital and also from post mortem report.
4. Regarding accident of General Public (outsider), the cause of accident to be ascertained from official records, evidences and from reports of Police/ Hospital & also from post mortem report. In case of the accident occurred due to unsafe condition of WBSEDCL's system, the personnel responsible for continuation of such unsafe condition to be recorded. In case of accident beyond WBSEDCL's meter/ unauthorized use of electricity/ unauthorized access of WBSEDCL's System by the victim, the same may also to be clearly recorded in the report.
5. To analyze all available information/ record, that may guide the Committee to draw the inference.

6. To identify the lapse(s), if any on the part of any individual Departmental/ Outsourced Technical workforce & fix up responsibility with recommendation of punitive measure in the report.
7. To suggest specific remedial measures that may be adopted for prevention of recurrence of such accident in future, in case of any defect in the WBSEDCL's System or work procedure observed by the Committee.
8. The report to be submitted to the Zonal Manager of concerned Zone/ Chief Engineer: RE as the case may be for disposal with endorsement to the Regional Manager/ Project Manager of concerned jurisdiction of accidents, Chief Engineer: Distribution & the Chief/ Additional Chief Engineer: Corporate Safety Cell.

This Office Order shall take effect from 01st March'2018.

This has reference of the minutes of 75th Meeting of Board of Directors, held on 20/01/2018.

Director (HR)
