CIRCULAR NO: 02

Dated: 7/4/2016

In order to provide the periodic payment details to the vendors for the sake of transparency the WBSEDCL SAP-ERP core team has recently developed 2 (two) numbers of T-Codes in FI module for enabling the DDO's of the respective profit centres to generate the period wise and vendor wise payment details.

The T-Codes are depicted below:

1. ZFI_PER_payadv----- (To generate the report of vendor wise periodic payment status)

After entering the T-Code in SAP-FI module, the following fields are to be populated to generate the report:

- i) Company Code
- ii) Profit Centre
- iii) Payment data range (e.g 01.01.2016 to 31.03.2016)
- iv) Vendor Code.

2. ZFI_PMTADV----- (To generate the cheque wise payment advice)

After entering the T-Code in SAP-FI module, the following fields are to be populated to generate the report:

- i) Company Code
- ii) House Bank
- iii) Account ID
- iv) Cheque No (Range)
- v) Vendor Code.

The example of fetched data from the above T-Code is also enclosed for ready reference.

All concerned is hereby advised to use the T-Codes as mentioned above to generate the breakup of the periodic payment details for providing legitimate payment related information to the vendors.
