Circular No: 02/2018
Dated: 15-02-2018

It appears that there are cases coming from different corners at this level for sanction of transfer grant against claims arising out of a physical shifting of the employee's residence in response to a valid transfer order. The requirement of bringing all such routine cases to the HQ for approval causing undue delay & harassment to different employees transferred in different parts of the state as well as putting additional load of paper works at different levels seems to be not very justified. Under this situation it is hereby directed not to send all such notes seeking approval for sanctioning of transfer grant, rather it is hereby clarified that henceforth all such cases of transfer grant will be sanctioned by the respective controlling officers to the transferred employees as per entitlement except under any of the following circumstances:-

- 1) If it is emphatically stated in the transfer order not to sanction transfer grant i.r.o that case.
- 2) Transfer is made in his/her own interest as per prayer of the incumbent.
- 3) No physical shift of residence actually have taken place.
