CIRCULAR - 2/2007

DATE : 22.05.07

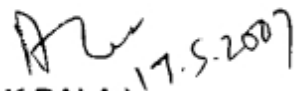

It has been observed that disposal of uprooted trees and felling trees are being processed by different establishments and authorities in different manners in absence of any uniform structured guidelines and modalities in this regard warranting attention for framing of necessary rational guidelines to be followed uniformly in all locations and establishments henceforth. With the above objective in mind, the following guidelines are, hereby, framed for strict adherence:-

- (i) Disposal of trees shall be made only on the recommendation of a Committee formed with representatives of Engineering, Accounts and P&A Streams.
- (ii) The Committee shall ensure and satisfy with regard to the extreme urgent need of disposal of such trees considering the exigency in case of power supply maintenance and safety requirement and besides this where installation, construction and development work including augmentation call for disposal of such trees.
- (iii) The Committee shall primarily assess the market value of such trees in consultation with P.W.D. Road or similar agency of that areas proposed to be disposed of and shall fix a reserve price therefor.
- (iv) Disposal should be processed through usual tendering norms preferably restricting the offers only from authorized timber merchants / Saw Mills for ensuring true value of such trees.
- (v) Under no circumstances whatsoever trees would be cut off and disposed of without obtaining necessary permission/authorization from the appropriate authorities, wherever necessary, as laid down in the West Bengal Trees (Protection and Conservation in Non-Forest Areas) Act, 2006 and Rules framed thereunder.

The above guidelines shall not be construed and viewed for aggressively cutting and uprooting of trees in indiscriminate manner adversely affecting overall environment.

Copy of the Government Notifications containing aforesaid Act and Rules are enclosed for ready reference.

Enclo: As stated above.
