He/She will be allowed to appear more than once from 2 years prior to his / her year of eligibility (counted from 1st January of the year concerned). Successful candidates will be exempted from appearing the Suitability Test further. 4. The date of effect of restructured scale of pay

In partial modification of Clause-13 of Office Order No. 5882 dated 25 April, 2001, where elevation of induction level and in intermediate levels in respect of categories of streams and/or cadres stated in Rule-30 to 35 of ROPA-1999 has been given effect from 1 February, 1999, it is enjoined upon all concerned that an employee may exercise option to be furnished within 60 days from the date of issue of this order to come over to the elevated/restructured scales of pay from any day between 1 February, 1999 to 24.04.2001, both days inclusive. 5. Merger/Upgradation of scales

This provision does not supersede any qualifying conditions of promotion under APS.

If an employee was in the same scale in his erstwhile cadre post prior to conveyance/transfer to another cadre post, his past services will be counted for qualifying length of service under APS but intersee seniority in the conveyed cadre post shall be maintained as on 25.4.2001. If such an employee gets promotion prior to his senior counterpart in the cadre he will only be awarded the higher scale of pay as personal to him without designation till the implementation of promotion under APS of his senior counterparts who have qualified in the first scope. This provision does not supersede any qualifying conditions of promotion under APS.

8. Re-casting of Gradation List

On completion of selection process and issuance of promotion order under APS of each level and category of employee from time to time Gradation List shall be recast annually with addition of successful candidates.
